David,

The map of San Pedro that you sent over is not contiguous. Can you please fix?

Thank you.

Quick question. Just to confirm for the existing Port of LA parcels, the second dash should be three characters from the right, making the first APN 7440-024-911 and so on, correct?

David,

Attached is our current assessment database as well as the possible expansion parcels. I would want the map to differentiate the following parcels:

Existing parcels (non-Port of Los Angeles)

Existing Port of LA parcels. These are the current Port of LA Parcels.

7440-02-4911
7440-02-6903
7440-03-0906
7440-03-0908
7440-03-1904
7455-01-9916
7455-01-9922
7455-02-7932
7455-02-7933

Possible expansion parcels. - See attachment.

I look forward to receiving your proposal.

Does NBS produce parcel maps? I'm doing our BID renewal.
